

SPONSOR – A - PET PROGRAM

We are proud to say that we are a no-kill animal shelter, and our goal is to provide our furry friends with a safe, happy and comfortable stay with us. We offer this program as a way for fellow animal lovers to help with the cost of caring for our furry family..

For \$150 a year, you will receive a signed certificate and picture of your sponsor pet, as well as a card at Christmas. You can arrange for a visit with your little friend. If your sponsor animal is lucky enough to be adopted, we will choose another for you.

All of the funds collected are used to give your sponsor pet and his friends the best lives we can give them while at the shelter. Your generosity means a lot – to them and to us!!
