

SPCAMontérégie

Dear Fellow Animal Lover,

Sponsor-a-Pet is a very special program that raises funds to help us give our animals a better quality of life. Due to our no-kill policy, some of our guests are likely to be with us for life. These animals may have behaviour or medical problems which make them difficult to re-home – **although they are all adorable.**

If you have always wanted a pet but could not because of allergies, location (apartment, etc.) or if you just do not want the commitment and responsibility of having a pet at the moment, our program could well be for you. The SPCA Montérégie Sponsor-a-Pet program can give you some of the pleasures and rewards of pet ownership. If you wish, you may visit your sponsored pet and even take him or her for a walk or just give him or her some welcome attention and cuddles! As well, you could also sponsor a pet as a Christmas or birthday gift for someone you know.

Best of all, you will have the satisfaction of knowing that your donation will be used to help us give your sponsored pet the best life possible.

The way sponsorship works is simple: for a minimum of \$10 per month you can sponsor a cat or dog. Your support will help pay the cost of your sponsored pet's shelter, food, veterinary care as well as provide funds for other animals. Just select your favourite pet and fill out the form below. Payment can be made for the year in one cheque, or if you prefer, you may send post-dated cheques for each month you want to sponsor your pet.

When you sponsor a pet, you will receive a signed certificate with a photo of your chosen animal and, at Christmastime, a card from your sponsored pet with best wishes.

We thank you for taking the time to read our letter and enclosed brochure. We do hope to hear from you soon.

Yours sincerely,

Linda Robertson
